SUBJECT: **GROUP HOME PROGRAM MONITORING REPORT – MARY'S
SHELTER, HOUSE ONE AND HOUSE TWO – TRANSITION GROUP
HOME**

We have completed a review of House One and House Two - Transition Group Home (Group Home or Agency) operated by Mary's Shelter, Incorporated. The Group Home contracts with the Department of Children and Family Services (DCFS) and the Probation Department (Probation).

House One Group Home is an 18-bed facility, which provides care for pregnant and parenting girls who exhibit behavioral, social and emotional difficulties. At the time of the monitoring visit, House One Group Home was providing services for two DCFS children and four Orange County children.

House Two – Transition Group Home is a 12-bed facility, which provides care for pregnant and parenting girls who exhibit behavioral, social, and emotional difficulties. At the time of the monitoring visit, House Two – Transition Group Home was providing services for five DCFS children and four Orange County children.

Both Group Homes are located in Orange County.

"To Enrich Lives Through Effective and Caring Service"

Scope of Review

The purpose of the review is to determine whether the Agency is providing the services as outlined in their Program Statement. Additionally, the review covers basic child safety and licensing issues and includes an evaluation of the Agency's Program Statement, internal policies and procedures, child case records, a facility inspection, and interviews with children placed in the Group Home at the time of the review. Interviews with children are designed to obtain their perspectives on the program services provided by the Agency and to ensure adherence to the Foster Youth Bill of Rights.

Summary of Findings

The Agency is providing the services as outlined in their Program Statement. A corrective action plan is not necessary at this time.

Attached is a detailed report of the review.

Review of Report

We discussed our report with the Agency's management. We thank the management and staff for their cooperation during our review.

If you have any questions, please contact me or have your staff contact Don Chadwick at (626) 293-1102.

I. Facility and Environment

Method of assessment – Observation

Comments:

House One Group Home is located in a residential community. The exterior of the Group Home is well maintained. The front and back yards are clean and adequately landscaped.

The interior of the Group Home is well maintained. The common quarters are neat and clean. There is adequate furniture and lighting in the Group Home. The Group Home provides a home-like environment.

Children's bedrooms are well maintained. The rooms are clean and orderly and have age-appropriate personalized decorations. There is adequate furniture, lighting, and storage space. Window coverings and window screens are in good repair. The mattresses are comfortable, and the beds all have a full complement of linens. Children's sleeping arrangements are appropriate.

The Group Home maintains age-appropriate and accessible recreational equipment. There are also board games, a TV, and a DVD player. Books and resource materials, including a computer with a variety of programs, are also available.

The Group Home maintains a sufficient supply of perishable and non perishable foods.

Recommendation

There are no recommendations for this section.

II. Program Services

Method of assessment – Review of relevant documents and interviews

Sample size: Two

Comments:

Children meet the Group Home's population criteria as outlined in their Program Statement. Children are assessed for needed services within thirty days of placement.

AUDITOR-CONTROLLER
COUNTY OF LOS ANGELES

The treatment team develops and implements the Needs and Services Plans (NSPs) with input from the child. The NSPs are current, comprehensive, and include short and long term goals.

Case files reflect adequate documentation to show that children are receiving treatment services.

Recommendation

There are no recommendations for this section.

III. Educational and Emancipation Services

Method of assessment – Review of relevant documents and interviews

Sample size: Two

Comments:

Children are attending school. Children are provided with educational support and resources to meet their educational needs and are progressing satisfactorily in school. The Group Home's program includes the development of children's daily living, self-help, and survival skills.

Children are provided with opportunities to participate in emancipation and vocational programs as appropriate.

Recommendation

There are no recommendations for this section.

IV. Recreation and Activities

Method of assessment – Review of relevant documents and interviews

Sample size: Two

Comments:

The Group Home provides children with sufficient recreational activities and leisure time. Children are provided with opportunities to participate in planning activities. Children also participate in extra-curricular, enrichment, and social activities in which they have an interest.

The Group Home provides transportation to and from the activities.

Recommendation

There are no recommendations for this section.

V. Psychotropic Medication

Method of assessment – Review of relevant documents

Comments:

According to the Agency's management, there are currently no children taking psychotropic medications. This information is appropriately documented.

Children are aware of their right to refuse medication.

Recommendation

There are no recommendations for this section.

VI. Personal Rights

Method of assessment – Interviews with children

Sample size: Two

Comments:

Children are informed about the Group Home's policies and procedures. Children report that they feel safe in the Group Home and are provided with appropriate staff supervision. Children express satisfaction with the quality of their interactions with staff and report that the staff treats them with respect and dignity.

Children report that they are assigned chores that are reasonable and not too demanding. Children are allowed to make and receive personal telephone calls, send and receive unopened mail, and have private visitors. Children attend religious services of their choice.

Children report that the discipline policies are consistently enforced and that there are fair and appropriate consequences for inappropriate behavior.

Children report satisfaction with meals and snacks.

Children receive voluntary medical, dental, and psychiatric care.

Recommendation

There are no recommendations for this section.

VII. Clothing and Allowance

Method of assessment – Review of relevant documents and interviews

Sample size: Two

Comments:

The Group Home provides appropriate clothing, items of necessity, and the required \$50 monthly clothing allowance to children. Children are provided with opportunities to select their own clothes. Clothing provided to children is of good quality and of sufficient quantity.

The Group Home provides children with the required minimum weekly allowance. Children spend their allowances as they choose.

The Group Home provides children with adequate personal care items. Children are also encouraged and assisted in creating and maintaining photo albums/life books.

Recommendation

There are no recommendations for this section.
